The Avon Police Department is hosting “Eastern Coyotes in Connecticut”, presented by Connecticut Master Wildlife Conservationist Paul Colburn. Colburn is a graduate of the Master Wildlife Conservationist Program (MWCP) and is a certified Master Wildlife Conservationist. MWCP, a State of Connecticut Department of Energy & Environmental Protection adult education program, trains volunteer participants in wildlife management, natural history, and interpretation. This program has developed a knowledgeable volunteer corps who provides outreach, education, and service to other State agencies, libraries, schools, environmental organizations, and the general public.

The “Eastern Coyotes in Connecticut” presentation focuses on the history of coyotes in Connecticut, an overview of coyote habitat, diet, behavior, and reproduction. It also provides practical recommendations for optimum coexistence with our coyote population. Coyote artifacts are shared with the audience.

Please contact the Avon Police Department at 860-409-4214 to register for this informative program (free to the public). For further information, e-mail elundell@avonct.gov or call 860-409-4281.
